Dear Harold,

Enclosed are three 5x7 glossies of frames 335, 337, and 340--zoom version. I also enclose Xerox of some.

(the red tone is due to color shift of the slides over 20 years)

No charge for the Xerox, which may be sufficient for your purpose.

If you wish to keep any of the glossies, they cost me $8.50 each.

If not, or if you want one or two instead of three, just mail the unwanted ones back to me as I wouldn't at all mind keeping them.

Best Regards,

Ray
